State Records Committee

RE: NOTICE OF APPEAL

Pursuant to Utah Code 63G-2-403, this letter appeals Utah Department of Corrections' denial of a GRAMA Request for specific records maintained by the Department. I am the subject of said records, and my legal rights are implicated therein.

The State Records Committee is requested to convene an hearing to determine whether the denial was unjustified.

Desired remedy: Release of All the Requested Records without Charge, as I Remain Indigent. Included: GRAMA Request; Denial; Notice of Appeal; Denial of Appeal.

Respectfully,

Ozwald Balfour
