RE: GRAMA #41227

Dear Gina proctor,

Inclosed please find a copy of the steps, the original G.R.A.M.A., and the first appeal, which leads me to your office.

Within the paper-work on the first go around, Lori ~~Housekeeper~~ Housekeeper made the statement that, "I was not specifielly referenced ~~To~~ in the requested contract." But, in the expired contract #136308, dated, April 1st, 2013, through march 31st, 2015, the word "Inmate" is used about 25 times on 3 different pages, and that has a specific reference to myself and the 7000 plus or minus Inmates within the Utah-STATE prison business.

With respect.
