Re: Records appeal notice.

Dear, Nova Dubovick

I am requesting a hearing for records which have been denied to me by the Utah Department of Corrections. I have requested a "waiver of fees" for these records persuant the Utah Department of Corrections policy, DIOGO ACr28/03.08 C.(2)(b) and also persuant to Utah Code 63G-2-203(4)(b), because I am the subject of the records I am requesting I believe I should be entitled to them at a reduced or waived fee.

The records I am requesting are all of my incident reports (ICR), narratives, and suplements. of these incident reports: Request # 27398

I am the subject of these reports and should be entitled to the full content of these records persuant to 63G-2-202(a), at a waived or reduced fee.

Thank you for you time on this matter.

Sincerely Daniel Ortiz
Daniel Ortiz.
