State Records Committee:

I submitted two GRAMA requests to the Attorney General's Office on 6-26-15 and 7-20-15. I received a response from Mr. Blaine Ferguson in which the response deadline was extended until 9-24-15. I further clarified that I would like all email messages retrieved from Google Vault's email repository. On 9-18-15 Mr. Ferguson informed me that additional time would be necessary to fulfill my request. I mailed an appeal to Attorney General Sean Reyes on 9-25-15. I argued that the delay was unreasonable.

I received a letter from Mr. Ferguson dated 10-15-15 where he explained my appeal had not been properly forwarded to Mr. Parker Douglas. He stated that my appeal had been forwarded to him that day. UCA § 63G-2-401(5)(a)(i) states that the chief administrative officer shall respond within five business days. It has been well beyond this period of time, yet I've received no response. The most recent response deadline of 11-10-15 has also passed with no response.

I wish to request a hearing in regards to this matter. I believe this delay is unreasonable as my initial request was sent over four months ago. I would like to be scheduled for a hearing as soon as is reasonably possible.

Thank you,
