REC'D JUL 10 2019

Dear State Records Committee, 7-3-19

Re: GRAMA Appeal, UDC

On 5-17-19 and 5-22-19 I sent requests to UDC's LEB Records Officer, Kelli Foulger. I didn't receive a response. On 6-12-19 I appealed the denial to UDC Deputy Director Hudspeth. I again did not receive a response. GRAMA allows Director Hudspeth 10 business days to respond and the failure to respond is the equivalent of a denial, see UCA § 63G-2-401(5)(b)(i). I'd now like to appeal the denial to the State Records Committee.

I have requested records of which I'm the subject and relate to criminal charges. These records should've been released to my criminal defense attorney through discovery, but were not. As potential exculpatory material, I have a right to copies of these records. I ask that the Committee order UDC to provide these records.

Sincerely,

Patrick Sullivan
