PUBLIC LAW 874 SURVEY FORMS  (Item 9-5)
These records document the annual survey taken to qualify for federal impact funds in accordance with 34 CFR 222 (1996). Public Law 874 provides federal funding for eligible school districts with students whose parent(s) or guardian(s) live or work on federal property. Only districts where children equal at least 2,000 average daily attendance (ADA) and 15 percent of the district’s total average daily attendance may receive payments. The following report forms are submitted to the district’s business administrator: a survey form, a school survey summary, and a statistical report form. The survey form is completed and signed by the parent or guardian and certifies whether parent was a member of the armed services on the survey date or was employed on federal property. The school survey summary is a summary of federal employment and lists the number of parents or guardians employed at a specific federal installation. The statistical report form summarizes the total school membership by grade level on the survey date as well as the number of pupils present and number of pupils absent on that date. All forms are completed in detail, dated, and signed by the school principal.

TITLE I RECORDS (Item 17-4)
These files document participation in the federally funded Title I program in accordance with 34 CFR 200 (1997). Title I is designed to be a supplemental funding source which provides additional, or supplemental educational opportunities to students from "low-income or economically disadvantaged families." These funds cannot be substituted for, or used in place of, other monies such as state and local funds to pay for student's basic education. Title I funds go to a district's poorest schools but excess funds may be used to help any low-achieving student, not just those from economically disadvantaged families. Title I funds are designed to assist with school reform and to improve the quality of student educational opportunities.
