

Hooper Water Improvement District
Records Access and Management Policy

Amendment to:

Section 16- Records Maintenance

A. Records maintenance procedures shall be developed to ensure that due care is taken to maintain and preserve District records safely and accurately over the long term. The Records Officer shall be responsible for monitoring the application and use of technical processes in the creation, duplication, and disposal of District records. He/she shall monitor compliance with required standards of quality, permanence, and admissibility pertaining to the creation, use, and maintenance of records.

B. All district records shall remain the property of the County unless federal or state legal authority provides otherwise. Property rights to District records may not be permanently transferred from the District to any private individual or entity, including those legally disposable obsolete District records. This prohibition does not include the providing of copies of District records otherwise produced for release or distribution under this chapter.

C. Custodians of any District records shall, at the expiration of their terms of office, appointment or employment, deliver custody and control of all records kept or received by them to their successors, supervisors, or to the District Records Officer.

D. This ordinance shall provide standards for the management and retention of the records of the district comparable to UCA Section 63-2-903.
