Hi, Nova - Salt Lake Tribune reporter Jessica Miller and I are together appealing a records denial to the State Records Committee. This concerns a request for recordings of dispatch communications and police radio traffic related to an incident last month.

I have attached all required documents here and am forwarding this email to relevant personnel in the Salt Lake City Police Department and in Salt Lake City Corp.

The matter we are appealing began with four separate requests, which we merged on appeal to the city. Due to a technical glitch, I am able to attach here the original denial for only one of the requests. All of the denials were identical, except for one that describes "records" and "documents" as opposed to "recordings." That request has been resolved anyway, so that particular denial is not of concern to our appeal.

However, I have enclosed all four denials in print notices that I will be delivering this afternoon to your office and to the city and police offices.

Thank you for your assistance.

Sincerely,

Erin Alberty
The Salt Lake Tribune.
