RE: APPEAL TO DENIAL OF UPD

Dear Gina,

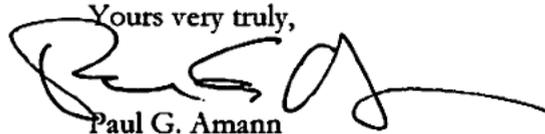

This letter will serve as an appeal to the denial of my GRAMA request to the Unified Police Department (UPD). See attached original request. The UPD claimed an ongoing investigation as a basis to deny records. See attached Report from UPD, Case No. 17-26849 at 2.

I timely appealed that denial on June 21, 2019. § 63G-2-401(1)(a) U.C.A. A response was due by July 8, 2019. § 63G-2-401(5)(a)(i) U.C.A. There has been no response. That failure is the equivalent of a decision affirming the access denial. § 63G-2-401(5)(b)(i) U.C.A. The relief I am seeking is the provision of all documents requested – the full unredacted report from UPD Case No. 17-26849.

Please find attached: 1) the original request, 2) the denial, and 3) the appeal to the Chief Administrative Officer.

Thank you for your attention to this matter.

Yours very truly,

Paul G. Amann
