Dear Gina, I am writing you to appeal the decision The Logan city school district made to withhold information I requested in a GRAMA request. Here are reasons for my appeal. (I will forward the emails of my correspondence with the LCSD)

1. This is public information.
2. Providing the amount spent but withholding how and why that money was spend is withholding relevant and important information from me and other citizens. As a citizen, tax payer and parent of children in the LCSD I should be able to have this information.
3. Them not wanting to provide all of the information I requested raises suspicion and deters public trust.
4. The public has a right to know, especially considering the large amount of tax dollars they are spending on legal costs.

Thank you please let me know if you need any other information.

Thank you,
Mike Favero
