Notice of appeal to the Utah State Records Committee
RE: Utah Department of Public Safety records request

Dear Ms. Dubovik:

I am appealing a partial denial by the Utah Department of Public Safety for records, including a final accident report and supporting documents, in the investigation of an accident involving _____ on March 25, 2015. I am representing The Salt Lake Tribune and request that our appeal be added to the agenda of the State Records Committee's next meeting.

I have included an email chain to show that I am appealing two days after I was notified that the denial was affirmed by the Utah Department of Public Safety.

Please contact me if you have any questions. Thank you for your assistance.

Sincerely,

Pamela Manson
