NOTICE OF APPEAL

of the GRAMA Request Appeal Denial by Kane County Hospital SSD dated July 12 2017

KANE COUNTY HOSPITAL SSD**

APPELLANT INFORMATION:

STATEMENT OF REASONS FOR APPEAL

Under GRAMA all records are public records unless otherwise expressly provided by statute. Utah Code § 63G-2-201(2). The public has the right to know salaries of public employees. The CEO of the special service district in Kane County that collects and directly benefits from taxes levied in Kane County is not an exception to salary disclosure.

The GRAMA request we submitted seeking the recent years' salary of the CEO of the Kane County Hospital was proper and should have been promptly and completely responded to. The denial was wrong.

RELIEF REQUEST

We request that the denial be promptly reversed and the CEO's salary be produced as requested in our June 7, 2017 GRAMA request submitted through the Utah GRAMA portal.
