I'm writing in regards to a appeal on a request of the GRAMA act.  
I have received response from the district in Ticaboo Garfield County Utah, that I'm to contact this office in order to get relief of billing for utility's that I don't owe and reimbursement of a bill that I paid but did not owe.  
I have tried to get relief of the bill from the district and they have reverred me to this office.  
On February 18, 2016 requested under the GRAMA act a itemized bill from the district, I received no response, I contacted the GRAMA office on February 2, 2016 and was advised to resubmit my request for the itemized billing on property 005-092-093. The district filed an extension and the on May 10, 2016 got the enclosed response from the district to contact your office to get relief from the bill in the amount of 758.06 and reimbursement for the 856.06 that I paid in August 15, 2012.  
I'm hoping that I can get some help to resolve this ongoing billing from the district.  
Thanks for your time. Marian Seamons
