Dear Utah Attorney General's Office and Mr. Ferguson:

I am making a request under the Utah Government Records Access and Management Act for copies of documents I believe to be available to the public. I am a journalist working to benefit the public and ask you please waive any fees associated with my request or you please notify me in advance if you intend to apply fees. Please provide the documents in a common electronic format when possible.

I request all documents related to any criminal investigations of Beaver County Sheriff Cameron Noel conducted in 2014 or 2015, including, but not necessarily limited to, police reports, witness statements, forensic reports, search warrant applications and returns, subpoenas and similar documents you may have received from other law enforcement agencies.

Please contact me if you have any questions or concerns. Thank you for your time in this matter.

Sincerely,

Nate Carlisle
