Re: GRAMA Request Appeal to Records Committee; UHP Case Number 15UT01927

Dear Ms. Dubovik,

This letter is in response to a denial of our GRAMA request appeal submitted to Commissioner Keith D. Squires on March 22, 2017 with regards to UHP Case Number 15UT01927. We received a denial back from Commissioner Squire's Office on April 12, 2017. In that letter we were told that the records we seek have been classified as protected and that our request has been denied pursuant to Utah Code Ann. §63G-2-305(38) and 41-6-404(3).

We appeal that decision based upon the following: Our office represents Daniel Chad Blackwelder, husband, in a divorce action against subject of the report. We are requesting a copy of the report and any supplemental reports for the accident that occurred on September 10, 2015 in which was involved. We feel that we are entitled to this information because is a party in our case and due to our concerns for the safety of the parties' children in order to provide evidence to and inform the Court as it makes decisions regarding parent-time restrictions for

Sincerely,

PAUL WALDRON, P.C.
