Re: Hearing Request

Dear Mrs. Dubovik:

With this letter I request a hearing before the State Records Committee based on the following grounds:

- a. The Agency has failed to offer any justification for each particular redaction of each email.
- b. It is in the Petitioner's interest to know how the Agency conducts its business to safeguard the Petitioner's right to have confidential visits with his attorney.
- c. It is in the public's interest to release the redacted records to ensure the Agency is performing its duties without resorting to fabrications and cover ups thus exposing the taxpayers to pay costly litigation expenses.

Sincerely,

*R. Williams*
