

Utah State Records Committee

Notice of Compliance

Use to notify the State Records Committee that their order is resolved.

Notes: Utah Code § 63G-2-403(15)(a) requires parties to comply with the State Records Committee. Utah Code § 63G-2-403(15)(c)(ii) requires a governmental entity to file a notice of compliance with the committee when ordered to produce a record. Administrative Rule R35-4-2 states that the notice of compliance shall contain a statement, the signature of the head of the governmental entity, and the method and date the records were delivered to the requester. Without a notice of compliance, the Committee has the option to vote on a civil penalty of up to \$500 for each day of continuing noncompliance.

Statement from respondent:

If the Committee ordered the entity to perform another search, what new search efforts were taken?
